

Are you an LGBTQ+ young person between 12 – 25 years old?

Why?

To better understand the experiences of LGBTQ+ young people and what you want from mental health support services.

How?

A one to one phone interview using WhatsApp text chat.

We will pay your phone data costs to take part.

What?

You will be asked questions about your experience of mental health services, NOT about your personal mental health needs.

To find out more and speak to a member of the team confidentially:
